ONLINE VERIFICATION

Lenders can independently verify this certificate at:

https://trustlockpay.com/verify/vrf_sbx_demo_abc123

This URL provides real-time escrow status (locked, released, or disputed) without requiring a TrustLock account.

CERTIFICATION STATEMENT

This certificate confirms that the above funds have been received and locked in TrustLock escrow. The funds are held in trust and will be released to the vendor only upon verified completion of contractual milestones or by administrative ruling.

Neither party may unilaterally withdraw escrowed funds. This document may be presented to third-party financiers as proof of guaranteed payment to support pre-production financing, trade credit, or working capital applications.
